1. Payment.

This invoice is payable in full, in the invoice currency, within 15 days of the invoice date by bank transfer to the account shown on the invoice. Please quote the invoice number as the payment reference.

2. Bank charges.

All charges of the remitting bank and any intermediary bank are borne by the Client (SWIFT charge code "OUR"), so that Chiplabs receives the full invoiced amount. Any shortfall caused by bank charges may be added to the next invoice.

3. Exchange rate.

The amount is fixed in the invoice currency. Exchange-rate movements between the invoice date and the payment date do not change the amount payable.

4. Taxes and withholding.

Fees are exclusive of any taxes levied in the Client's country. If the Client is required by law to withhold tax, it will provide the official withholding tax certificate within 30 days of payment. On request, Chiplabs will provide its Tax Residency Certificate and related documents so the Client can apply any applicable tax-treaty rate.

5. Late payment.

Amounts unpaid after the due date may attract interest at 1% per month, or at the rate set out in the Agreement where different. Chiplabs may suspend services after giving 30 days' written notice of non-payment.

6. Queries.

Any query about this invoice must be raised in writing within 7 days of receipt. The undisputed portion remains payable by the due date.

7. Services.

Time-based services are billed on Client-approved timesheets. Placement fees, replacement terms and conversion fees are as set out in the Agreement.

8. Agreement.

This invoice is issued under the Master Services Agreement between the parties. If anything in these terms conflicts with that agreement, the agreement prevails, including its governing law and jurisdiction.
